ACCOUNTING CONCENTRATION-MBA

ALL CONCENTRATION INFORMATION EFFECTIVE FOR STUDENTS ADMITTED FALL 2009 AND THEREAFTER.

The accounting concentration consists of 15 hours of specified graduate accounting coursework: MGMT 503, 540, 541, 543 and 544. Students who have completed a BBA with an accounting concentration or completed their BBA at the Anderson School of Management may have already taken one or more of the required courses and should not repeat any graduate level accounting courses if they have taken the accounting undergraduate level equivalent. Students should visit with the accounting concentration faculty advisor before substituting any of the five required graduate level accounting courses with any of the following MBA accounting concentration graduate level electives.
