

## 3-2 MBA & 2+1+2 Program

The 3-2 MBA Program/2+1+2 Program is for a non-management UNM undergraduate student who completes both a bachelor's degree and an MBA degree in as little as five (5) years. Students will complete a total of 37 hours of MBA coursework for an accelerated track program or 43 hours for a focused track with a concentration to meet degree requirements.

### HOW TO DOES THE PROGRAM WORK?

- For the first three years of undergraduate studies, the student pursues a full-time course load (15 – 18 hours) in any college other than The Anderson School of Management.
- It is recommended that the student completes math through Calculus and a Microeconomics course.
- In the semester prior to final year of undergraduate degree, the student must be within 30 hours of graduation and applies for acceptance to the 3-2 Program / 2+1+2 Program at Anderson.
- Once accepted to the 3-2 Program/2+1+2 Program, the student will complete 18 hours of MBA core courses, which will fulfill a minor or electives. It is recommended that the student take 9 hours of MBA core courses each semester of final year. Concurrently, the student completes the remaining 12 hours of requirements for the bachelor's degree and graduates.
- Once the student has completed undergraduate degree requirements and has a minimum of 3.0 GPA in all MGMT coursework attempted, the student will be admitted to graduate level student status.
